

CHEMICAL PEELS

ANTI-AGEING

Neck (pyruvic acid & lactic acid) - 30 minutes - £300 (3)

The neck is the first part of the body to age. This peel tightens the skin and helps even out skin tone whilst boosting the production of Hyaluronic Acid to increase skin volume.

Retinol Peel - £150

A retinol peel is a skin peel that can help maintain the general appearance and health of your skin; they are particularly effective on acne prone skin and have great anti-ageing benefits as retinol can reduce the appearance of fine lines and wrinkles.

Glycolic Acid Peels - 10-40% x4 - £300

This peel is recognised for its ability to provide an even exfoliation to your skin by helping promote cellular turnover for improvement in the look of fine lines, skin texture, tone, and radiance.

ROSACEA

Mandelic Acid 40% - 30 minutes - £300 (3)

This superficial peel penetrates your skin slowly without causing irritation which is perfect for sensitive skin types.

PIGMENTATION

SkinCeutical Pigment Balancing Peel x4 - 30 minutes - £300

This peel programme targets areas of discolouration using a blend of high concentration glycolic acid and vitamin C.

Perfect Peel - £300

The Perfect Peel is a revolutionary chemical peel that will transform your skin into looking younger, healthier and clearer in just one week. The Perfect Peel is a medium-depth chemical peel that can be used on all skin types.

TCA 25% - £180

A TCA peel chemically exfoliates the skin and reduces the appearance of fine lines, hyperpigmentation, melasma, acne scars and sun damage.

ACNE

Obagi Blue Radiance - 30 minutes - £300 (3)

Benefits can be seen almost immediately, pores visibly smaller and skin tighter. This targets decongested pores whilst brightening and smoothing your skin.

Pyruvic Acid 50% - 30 minutes - £300 (3)

This peel works by tightening your skin and controlling the over production on sebum which is one of the leading causes of acne.

Salicylic Acid - 30 minutes - £300 (3)

This superficial peel exfoliates by break down surface oil & debris whilst controlling bacteria.

Jessner Peels - 30 minutes - £300 (3)

A combination of 3 acids, this medium depth peel aids with ageing concerns, pigmentation and minimising breakouts from oily skin by breaking down surface oil and softens your skin, allowing better penetration.
